

Attachment F - Children with Face-to-Face Contact within 24 Hours for CPS Investigations Accepted in Calendar Year 2014 as Documented in CAPSS

Source: CAPSS effective February 1, 2015 / ADR

Data Note: This report does not show a count of CPS Investigations initiated within 24 hours of the report as required by state statute 63-7-920. It shows the number of children in those reports that had a face-to-face contact within 24 hours documented and not documented in the agency's computer system using codes FC, IC, and IF.

Year Intake Accepted	Month Intake Accepted	# Children in Investigations	# Children with Face-to-Face Contact Documented to Have Happened within 24 Hours of the Intake Being Accepted	# Children with No Face-to-Face Contact Documented to Have Happened within 24 Hours of the Intake Being Accepted
